FIRST OFF... Well, we made it thru another year! Hopefully no worse for the wear, & that much wiser. With all that's going on in the world, it is more important than ever for us to take care of our own in any way we can. A warm coat that's been sitting in the closet, a can of food, some spare change. No effort is too small or insignificant. Reach out & you'll find people reaching back. We'd also like to thank Mary Ann Rummage for our great looking window. Enjoy the upcoming festivities. Support your local vendors when you can, and keep the community strong, vital, and real. On to 2008!

MIKE FARRIS....This is a great disc for the holidays. It grooves and rocks right down to the core with a spiritual foundation infused with New Orleans brass along for the ride. Very live feel with gospel singers and great tunes, sounds like it was recorded in a great hall or church. Standouts include "Can't No Grave Hold My Body Down", "Streets of Galilee" as well as the standards, "I'll Take You There" and "Oh Mary Don't You Weep". This'll get you going on Christmas Morn. I give it 4 bones.
"See you next time on the corner...."

Closing Statement: *"You can't change the past, but you can ruin the present by worrying over the future" -unknown*
